### **DETAILED ACTION**

1. Claims 12-16 are allowed over the prior art.
2. The following is an examiner's statement of reasons for allowance:

The invention as claimed, specifically in combination with an optical scale molded by using movable and fixed platens, with a reflecting portion and a shaft holding portion integrally formed in one piece, wherein the shaft holding portion does not have a through-hole, the reflecting and shaft holding portions formed using one of the movable and fixed platens, one of the platens having an injection gate at a position corresponding to a center of the scale, the scale integrally formed by employing one kind of transparent resin material, is not disclosed or made obvious by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
